## EDUCATION

University of Utah | May 2025 | Bachelors of Science in Computer Science, Emphasis in Games

## WORK EXPERIENCE

### **Web Development and E-Commerce Associate**

**University of Utah Campus Store | May 2023 - Present**

- Developed, designed, and maintained web pages, ensuring functionality and alignment with branding guidelines.
- Created and managed product listings, ensuring accurate descriptions and optimized SEO for improved visibility.
- Organized and merchandised products, enhancing the customer shopping experience.
- Helped manage team tasks and responsibilities, ensuring timely completion of projects.

## PROJECTS

### **NetSuite Migration | University of Utah Campus Store**

- Aided in migrating products, landing pages, and styling from MBS to NetSuite during store system migration, maintaining website style and content.

### **Reyna Murphy Adventures | Webflow**

Created a website for displaying various adventures, hikes, and trips.

- Developed front end using webflow, edited images using Adobe Photoshop.

### **Grading Web Application | VS Code and Django**

Created a web application for grading, submitting, and managing school assignments.

- Developed front end pages using HTML, CSS, and JavaScript
- Managed back end data handling using Django and Python
